**Construction Update - 75% completed; still need \$100K and 3-4 months to finish**

Assalamu Alaikum and Ramadan Mubarak !!

We are delighted to inform you that construction of the Masjid is progressing well. Despite of all the unforeseen challenges due to city approvals, we are about 75% done and expect to complete in next 3-4 months Insha'Allah.

Our new Masjid has 7,500 sq ft floor space and will have proper community center, classrooms, library, kitchen and offices. It will take \$100,000 more to finish the project. We look forward to your contribution. It is Allah's promise that you will see the fruits of your contribution in this life and the here-after. Please think of this Masjid as you take stock of your zakat, sadaqa and the legacy you would like to leave.

We welcome all the new families to the community. We look forward to meeting you in person.

JazakAllah Khair

Our New Masjid in final stages

## Quran Classes for Adults and Kids

In January 2011 we took a humble initiative to establish a part-time school in our existing Masjid. Looking at the dire need of the community, we started offering classes for Quran and Islamic studies with the mission to teach the students proper reading (Tajweed) and memorizing Quran, and understanding the fundamentals of Islam.

Alhamdulillah we have 4 highly qualified teachers now, and more than 100 students benefited from this intensive program. Many of the kids from our school participated in Ahlul-Quran contest and exhibited award winning performance (Masha'Allah).

If you are interested in enrolling your kids, you can do it online on our website: [www.newtampamasjid.com](http://www.newtampamasjid.com), or send an email to [quranclass.isonet@gmail.com](mailto:quranclass.isonet@gmail.com).
